

PENNSYLVANIA NEUROLOGICAL SOCIETY

UPDATE CLINICAL NEUROLOGY V

SPECIAL MINISYMPOSIA ON HEAD TRAUMA
AND THE SURGICAL AND MEDICAL
TREATMENTS FOR EPILEPSY

*Sponsored jointly with Stroke Update 2011, UPMC/ Stroke
Institute being held on Friday, October 14, 2011*

An aerial photograph of Pittsburgh, Pennsylvania, showing the city's skyline with various skyscrapers and buildings. In the foreground, the iconic yellow arch bridge spans across the city. The sky is clear and blue.

SATURDAY, OCTOBER 15, 2011 • THE WESTIN CONVENTION CENTER • 1000 PENN AVE • PITTSBURGH, PENNSYLVANIA

OVERVIEW & OBJECTIVES

At the conclusion of the conference of Update in Clinical Neurology V, participants should be able to:

- Review current options for treating epilepsy, including Vagus Nerve Stimulation and ketogenic diet
- Know how surgical treatment of epilepsy can benefit patients and be aware of underlying neuropathological etiologies
- Discuss the role of cell death in generating neurological disease, including amyotrophic lateral sclerosis
- Identify the current management of traumatic brain injury and imaging developments
- Review the advances in dementia diagnosis and treatment
- Discuss current management of Parkinson's Disease, including the late disease options

Faculty Disclosure Policy

All faculty participating in continuing medical education programs sponsored by PNS/UPMC are expected to disclose to the program audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).

Pennsylvania Neurological Society

“PRE-GAME” PROGRAM

Continuing Education Credit

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council of Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this educational activity or a maximum of 6.25 AMA PRA Category 1 Credits™. Each physician should only claim credit commensurate with the event of their participation in the activity.

This continuing nursing education activity has been approved for **6.2** contact hours by the UPMC Provider Unit of the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. To receive contact hours, the participant must attend the entire session and complete the evaluation form.

Other healthcare professionals are awarded **0.625** continuing education units (CEU's) which are equal to **6.25** contact hours.

COURSE SCHEDULE

Saturday, October 15, 2011

7:00-7:45 AM **Registration and Full Breakfast**

7:45-8:00 AM **Welcome**

Louis W. Catalano, MD, FAAN

President of PNS; Director of Neurological Institute of Western Pennsylvania

Lawrence R. Wechsler, MD., FAAN

Professor & Chair of Dept. of Neurology - University of Pittsburgh School of Medicine

8:00-9:45 AM **Minisymposium on Epilepsy**

VNS and Non-Medication Therapies: Results and Benefits

8:00-8:45 AM **Deborah L. Holder, MD**

Asst. Professor of Pediatric Neurology, Medical Director of Epilepsy Surgery Program, Director of Epilepsy Monitoring Unit - Children's Hospital of Pittsburgh of UPMC

Surgical Intervention Therapies: Results and Surgical Pathological Findings

8:45-9:30 AM **Elizabeth C. Tyler - Kabara, MD, PhD**

Asst. Professor of Pediatric Neurosurgery, Surgical Director of Surgical Epilepsy Program, Director of Spasticity & Movement Disorder Program - Children's Hospital of Pittsburgh of UPMC

9:30-9:45 AM **Q & A - Panel Discussion**

9:45-10:00 AM **Break**

10:00-12:15 PM **Minisymposium on Concussion & Mild to Moderate Head Injury**

Concussion and Postconcussive Syndrome: Is it all in your head?

10:00 - 10:30 AM **Michael W. Collins, MA, PhD**

Director of Sports Concussion Program - UPMC Center for Sports Medicine

Role of Cell Death Pathways in Neurologic Diseases

10:30-11:15 AM **Robert M. Friedlander, MD, MA**

Chairman & Professor of Neurological Surgery, UPMC Professor of Neurosurgery & Neurobiology - University of Pittsburgh School of Medicine

Traumatic Brain Injury/Clinical Trials and Diffusion Tensor Neuroimaging

11:15-12:00 PM **David Okonwo, MD, PhD**

Asst. Professor of Dept. of Neurological Surgery, Director of Neurotrauma & Brain Trauma Research Center - University of Pittsburgh Medical Center, Pittsburgh

12:00-12:15 PM **Q & A - Panel Discussion**

12:15-1:00 PM **Lunch**

Dementia: Alzheimer's Disease, frontotemporal dementia, and "other reasons to lose your mind". Pathology Syndromes and latest advances

1:00-1:45 PM **Eric McDade, DO**

Asst. Professor of Dept. of Neurology, Division of Cognitive & Behavioral Neurology - University of Pittsburgh School of Medicine

Parkinson's Disease: How to Manage Late Stage Disease / Update 2011

1:45-2:30 PM **Nabila Dahodwala, MD**

Penn Neurological Institute; Asst. Professor of Dept. of Neurology, Fellow of Institute of Aging - University of Pennsylvania

Update on Neurology Legislation

2:30-3:00 PM **Derrick Brandt**

Congressional Affairs Representative - American Academy of Neurology

Resident Poster Awards

3:05 PM **PNS Poster Committee**
