## Rare Inspiration. Changing Lives.

At Alexion, our mission is to transform the lives of people living with rare diseases through the development and delivery of innovative medicines, as well as through supportive technologies and healthcare services. We believe it is our responsibility to listen to, understand, and change the lives of patients and those who work tirelessly to help them. Our passion drives us to continuously innovate and create meaningful value in all we do. In doing so, we change lives for the better – ours, people living with rare diseases and the communities we serve. Every day.
