

ATTENDEE GUIDE

PENNSYLVANIA NEUROLOGICAL SOCIETY

2022 Everyday Clinical Neurology

.....
JUNE 11 / VIRTUAL
.....

This program has been awarded *AMA PRA Category 1 Credit*™ by the Pennsylvania Medical Society.

VIRTUAL PLATFORM

This year's meeting is being held virtually via the AirMeet platform. Here's some information to ensure you have a seamless virtual experience.

How do I access the event?

You will be sent an email from AirMeet with a unique link to login. When you click on the unique link, you'll be able to enter the meeting.

Can I chat with others during the meeting?

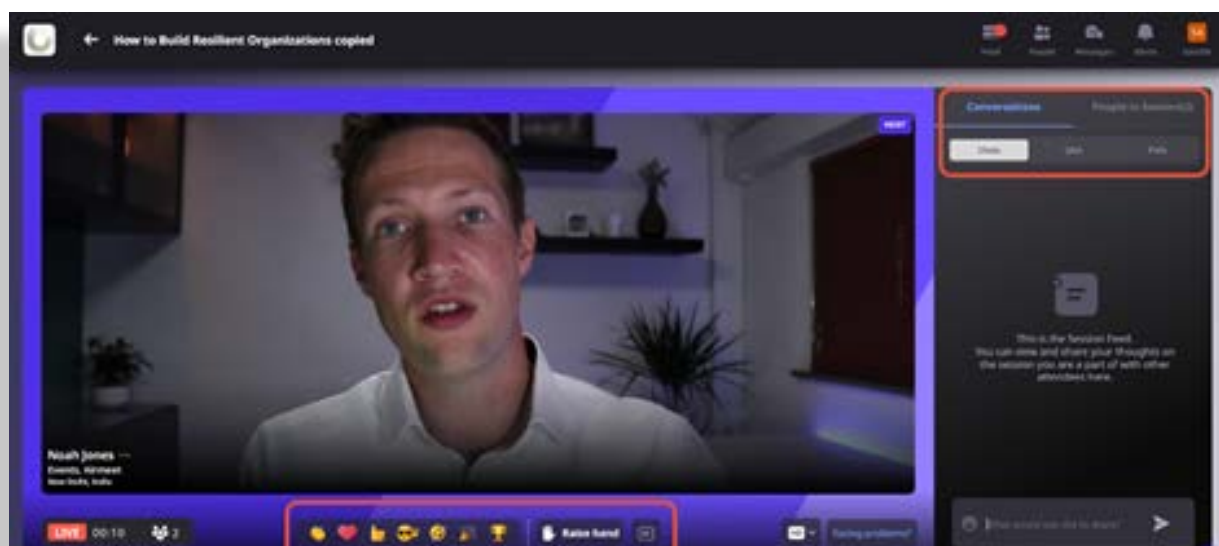

Yes! There is a "Feed" in the upper right-hand corner of the screen that you'll be able to chat with others throughout the meeting. Alternatively, you can chat one-on-one with other attendees by clicking on "People" in the same area, finding the individual you wish to chat with, and clicking on their name. You can either send them a message or schedule a meeting with them.

How do I see the agenda?

Simply click on the Schedule tab at the top of the screen.

Can I interact during the sessions?

Yes! You can raise your hand, ask a question, react with emojis, chat with others and participate in polls.

VIRTUAL PLATFORM

What is the lounge?

This area allows you to interact with other participants attending the event and hop between tables to meet new people and have conversations.

Is there a virtual exhibit hall?

Yes! You can access the hall by clicking on the “Booths” tab at the top of the screen. Use the video chat feature in the booth lounge to meet-up with booth representatives in real time or click on the “Register Interest” button to send you contact details to exhibitors.

You can find Exhibitor’s resources like marketing collateral, social media plugins, and videos inside the exhibitor booth.

What if I need assistance with the AirMeet platform?

The “Help” button on the bottom right takes you to the 24*7 Support Lounge or Chat support along with FAQs to assist you in case you face any issues during the event.

Can I access the meeting on my phone or tablet?

Yes! Simply download the AirMeet application from the app store. You will then have to enter the event link (<https://www.airmeet.com/e/caf60940-794c-11ec-b767-5f4a22ddd77d>) and register to join.

Note: Virtual booths are not available on the mobile app and can only be viewed via laptop/desktop.

Quick Tips

For a flawless visual experience on AirMeet, keep the following in mind:

- Use a laptop/desktop and Google Chrome to join.
- Have a stable and good internet connection.
- If you have difficulty seeing the speaker’s feed, refresh the page/restart browser, and ensure that you close any other video conferencing tool you may have used recently.
- If using any VPNs or anti-viruses, please turn them off for a smooth experience.

ACCREDITATION & CME

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Pennsylvania Medical Society and the Pennsylvania Neurological Society. The Pennsylvania Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

The Pennsylvania Medical Society designates this live activity for a maximum of 6.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards of Integrity and Independence, all planners and faculty relevant financial relationships with ineligible companies have been mitigated.

Claiming CME Credit:

To obtain a CME certificate, please use the link provided below to view and complete the online post-course survey which is available through our learning management system. You will need to create a web account for the PAMED website if you don't already have one. Membership in PAMED is not required for a Web account. The information required to create a web account includes first and last names, date of birth, and an email address (cannot be a shared email address – each learner profile must have a distinct email address of record). Entering your license number is optional but is helpful in establishing your learner profile. Once you have created your account/logged in, you will be redirected to the course and able to view and complete the survey. A CME certificate will be available to download, print, or email after you have completed the survey.

CME Evaluation Link

Please note that you cannot use Internet Explorer to access our learning management system as it is not supported by the platform. You must use Chrome or another browser.

If you have any questions about the process to claim CME, please feel free to contact me at your convenience. If you need assistance creating a website account, please contact our Knowledge Center at 855-PAMED4U (855-726-3348) or KnowledgeCenter@pamedsoc.org.

CME DISCLOSURES

CME Disclosures

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards, the following presenters of this course have indicated that they either do or do not have a relationship which, in the context of their presentation, could be perceived by some as a real or apparent conflict of interest, (e.g., ownership of stock, or honoraria or consulting fees). Those presenters having such relationships do not consider that it will influence their presentation.

Financial relationships reported by members of the Meeting Planning Committee are provided below. During all phases of planning for the Pennsylvania Neurological Society Everyday Clinical Neurology Meeting, areas of conflict were managed through a peer-review process and/or through individual recusal when appropriate.

The Meeting Planning Committee has reviewed all presenter disclosure reports, identified potential conflicts of interest, and implemented strategies to manage those areas of conflict, where they exist.

Faculty Name	Company Name	Nature of Relationship
Michael Gelfand, MD, PhD	UCB	Site PI
Khatuna Gurgenshvili, MD		Nothing to Disclose.
David Irwin, MD	Denali Therapeutics	SAB Member
William Jens, DO	AbbVie	Speaker
Jorge Kattah, MD		
Kathrin LaFaver, MD	Teva Pharmaceuticals	Consultant
Reed Levine, MD, ABPN		Nothing to Disclose.
Stephanie Nahas, MD, MSed, FAHS, FAAN	AbbVie, Alder, Allergan, Amgen, Axsome, BioDelivery Sciences, Biohaven, Eli Lilly, Fenix Group International, Impel, Lundbeck, Nesos Corp, Novartis	Consultant
	Jackson & Campbell	Medical Expert
	American Academy of Neurology, American Headache Society, Evolve Med Ed, Massachusetts Medical Society, MedLink Neurology, MJH Life Sciences, NACCME, Neurology Learning Network, Springer, WebMD/Medscape, Wolters-Kluwer	Honoraria
Aaron Rothstein, MD		Nothing to Disclose.

CME DISCLOSURES

Planning Committee	Company Name	Nature of Relationship
Amtul Farheen, MD, FAAN		Nothing to Disclose
William Jens, DO	AbbVie	Speaker
Jyoti Pillai, MBBS, MD, MRCP		Nothing to Disclose

NOTICE OF DISCLAIMER

The information presented is that of the contributing faculty and does not necessarily represent the views of the Pennsylvania Neurological Society (PNS) and/or any named commercial entity providing financial support. Specific therapies discussed may not be approved and/or specified for use as indicated by the faculty presenters. Therefore, before prescribing any medication, please review the complete prescribing information including indications, contraindications, warnings, precautions and adverse effects.

The Pennsylvania Neurological Society makes every effort to ensure that speakers are knowledgeable authorities in their fields. Seminar attendees are nevertheless advised that the statements and opinions expressed by seminar speakers are those of the speakers, not PNS. The speakers' statements and/or opinions should not be construed as PNS policy or recommendations, and PNS disclaims any liability or responsibility for the consequences of any actions taken in reliance upon those statements or opinions.

Products/services exhibited by companies or organizations other than the Pennsylvania Neurological Society are not endorsed by PNS. Further, PNS disclaims any liability or responsibility for the professional or personal use of such products/services.

AGENDA

Saturday June 11, 2022

Time	Session
8:30 a.m. – 8:45 a.m.	Welcome
8:45 a.m. – 9:30 a.m.	<p>Functional Movement Disorders: Overcoming treatment barriers and optimizing patient outcomes <i>Kathrin LaFaver, MD, FAAN</i></p> <p>This session will review diagnostic criteria for functional movement disorders, and focus on optimizing communication with patients, developing, and implementing an interdisciplinary treatment plan and overcoming treatment barriers.</p>
9:30 a.m. - 10:15 a.m.	<p>Update on Marijuana and Neurology <i>William Jens, DO</i></p> <p>Update history of Marijuana and its legalization and review data supporting its use medically.</p>
10:15 a.m. - 11:00 a.m.	<p>Headaches in Primary Care <i>Stephanie Nahas, MD, MSed, FAHS, FAAN</i></p> <p>This session will detail the approach to and management of patients with headache in primary care.</p>
11:00 a.m. – 12:00 p.m.	Lunch & Exhibit Break
12:00 p.m. - 12:45 p.m.	<p>A Practical Approach to Peripheral Neuropathy in Primary Care Settings <i>Khatuna Gurgenshvili, MD</i></p> <p>Overview of peripheral neuropathies, etiology, and available treatments.</p>
12:45 p.m. - 1:30 p.m.	<p>Low Back Pain <i>Reed Levine, MD, ABPN</i></p> <p>An overview of the evaluation and management of Low Back Pain. Grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to always tell the difference.</p>
1:30 p.m. - 2:15 p.m.	<p>Neurodegenerative Dementias <i>David Irwin, MD</i></p> <p>This is an overview of clinicopathological associations and nomenclature of Alzheimer's disease and related disorders.</p>

AGENDA

Saturday June 11, 2022

Time	Session
2:15 p.m. - 2:45 p.m.	Exhibit Break
2:45 p.m. - 3:30 p.m.	<p>Epilepsy for the Non-Neurologist <i>Michael Gelfand, MD, PhD</i></p> <p>The medical and surgical treatment of epilepsy, and our understanding of diagnosis, continues to evolve.
